MEMORANDUM FOR: Director, Foreign Broadcast Information Service

FROM : R. E. Hineman
Deputy Director for Science and Technology

SUBJECT : Proposal to Establish a Systems Development Staff in FBIS

REFERENCE : Memorandum for DDS&T from D/FBIS, dated 28 July 82, Same Subject

1. I concur with the need for a Systems Development Staff in FBIS. However, before proceeding, please outline in more detail the structure of the Staff and functions of the individual positions. You should clearly show how this proposed Staff relates to the activities now under [redacted] (ROSET, INTERNET, etc.) and [redacted] (MIDAS). 25X1 25X1

2. The individuals on this Staff should be drawn from the other offices in the directorate and attached to FBIS on a two-year or so rotational basis. To enhance these positions in the eyes of the prospective incumbents, in as many cases as possible the people chosen should be eligible for a promotion during the rotational tour. It is my understanding that the positions for this Staff will come from your FY 1982 or FY 1983 totals.
